Sports Achievement of RJS College of Pharmacy Students at MIT Yeola Sponsored Cricket Matches

RJS College of pharmacy students at Yeola for Cricket Sports Matches organized by MIT College of Pharmacy

Sports are very essential for every human life which keeps them fit and fine and physical strength. It has great importance in each stage of life. It also improves the personality of people. Sports keep our all organs alert and our hearts become stronger by regularly playing some kind of sports. The students from Second year, Third Year and Final Year B. Pharmacy of Rashtrasant Janardhan Swami College of Pharmacy Kokamthan had participated in Matoshri Education's Society Sponsored State level matches of Cricket which were organized by Matoshri Institute of Pharmacy, Yeola on 2nd April 2023 under the guidance of Principal Dr. Nitin Jain and Mr. Sachin Chavan.

Industrial Visit of Budding Pharmacist of RJS College of Pharmacy: At SciTech Industries Sinner

Industrial Visit of First Year D. Pharmacy students of RJS College of Pharmacy, Kokamthan Students at SciTech Industries Pvt. Lid, Sinner

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms. It grants the students a great opportunity to interact with industries and know more about industrial environment. Industrial visits are arranged by colleges for their respective students with an objective of providing them an opportunity to explore the different industry sectors like IT, manufacturing, services, finance and marketing. Industrial visit helps students to combine their theoretical

knowledge of business operations with the practical knowledge of its actual functioning.

On 14th April 2023 Rashtrasant Janardhan Swami College of Pharmacy Kokamthan arranged an industrial visit at SciTech Industries Pvt. Ltd, Sinner Dist: Nashik for F.Y. D. Pharmacy Students for improving the collaboration between industry and academics, to get student interact with industrial working. Visit was organized with the prior permission and guidance of Principal Dr. Nitin P. Jain along with all staff members, had taken hard efforts and initiative under the continuous guidance of Prof. Fulsandar Swati, Prof. Chavan Sachin and Prof. Kuche Bharti which made this visit a grand success. Total 33 students of F. Y. D. Pharmacy students along with 3 faculty members have joined this industrial visit. Students visited various areas of industry and got knowledge of Warehouse, Quality Control Department, Tablet Granulation Machine, Tablet Granulation Machine, Dissolution Apparatus, Strip and Blister Packaging Machine, High Performance Liquid Chromatography etc.

Memorable Trip: Refreshing Break of RJS College of Pharmacy in Hot Summer

Second Year D. Pharmacy students of RJS College of Pharmacy, Kokamthan at Pratibalaji Khed, Pune and Mepro Garden, Mahabaleswar with their Staff

RJS College of Pharmacy, Kokamthan Students of Second Year D. Pharmacy and Staff Enjoying Trip at Phoenix Mall Pune

Traveling is a great way to boost your health, broaden your horizons, and make memorable memories. It also helps you improve your communication skills, broaden your horizons, learn new things about other cultures, and forget about your daily troubles for a while. Going to new places helps you

improve your mental well-being by experiencing new places, people and cultures and breaking your routine.

To take relaxing break from busy academic schedule and to capture some memories Rashtrasant Janardhan Swami College of Pharmacy Kokamthan arranged a memorable Trip for Second Year D. Pharmacy students from 14th April 2023 to 16th April 2023 with the presence of total 28 students and 5 staff. On this trip various spots are visited by RJS Members such as Ranjangaon Ganpati, Pratibalaji Temple Narayanpur, Mapro Garden Panjgani, Mumbai Point, Elephant Head, Divegar Beach, Dagdusheth Ganpati Pune, Phoenix Mall Pune etc. The trip was organized under guidance of Principal Dr. Nitin Jain and Co-ordinated with presence of HOD Miss. Swati Fulsaundar, Mr. Sachin Chavan, Mr. Rupesh Pachore, Mr. Sharad Pawar and Mrs. Monali Kale.

SAYORANA: Good bye with future best wishes for Second Year D. Pharmacy Students by RJS College of Pharmacy, Kokamthan

Inauguration and Light Lamping Ceremony along with Programme Preface on the Occasion of Farewell Party of D. Pharmacy at RJS College of Pharmacy Kokamthan

Second Year D. Pharmacy Students of RJS College of Pharmacy, Kokamthan Representing their Thoughts and Memories with their Staff on the occasion of Sayonara: Last Goodbye to Beloved Students

A farewell is an expression of good wishes to students who are leaving an institution or place of work or residence. A farewell is organized to bid goodbye and good luck to Students who are leaving. It helps in conveying a message they will be missed by those they are leaving behind. A Farewell Party was

organized at Rashtrasant Janardhan Swami College of Pharmacy, Kokamthan on 18/04/2023 for special goodbye to Second Year D. Pharmacy students (Batch 2022-2023) at auditorium hall. Program was delighted with presence of Chairman of RJS foundation C.N. Katkade, Mr. Vijay Kadu, Mr. Deepak Kotme, Principal Dr. Nitin Jain, HOD Miss. Swati Fulsaundar etc. Guest of program Mr. Vijay Kadu guided students about new bright future and best wishes for a new beginning and Principal Dr. Nitin Jain also motivated students about their aims and also best wishes for bright future etc.

The students from first year arranged a farewell party in the title "Sayonara" to the second year students. Farewell is basically a get to gather kind of celebration for the seniors who will be soon stepping out of that particular institute. Hence juniors wish their seniors a good luck for their next big adventure in various forms like singing or by felicitating them. Farewell party had begun with the theme sayonara means every ending has a new beginning. Later on the second year students were asked to give their opinions about the institute and the staff. All Students were felicitated by the Hon. Mr. C. N. Katkade and Mr. Vijay Kadu.

Industrial Visit by RJS College of Pharmacy, Kokamthan: Steps towards Future Goal

Rashtrasant Janardhan Swami College of Pharmacy, Kokamthan Students with *Shodh Advantech*, Sambhajinagar.

Final Year Students of Rashtrasant Janardhan Swami College of Pharmacy, Kokamthan get Interacted with *Shodh Advantech*, Sambhajinagar Committee Members

Industrial Visit is an essential part of the academic curriculum in most of the Graduate and Post-graduate courses. Being a part of interactive learning, such educational visit give

students a major exposure to real working environment along with a practical perspective. During the industrial visits, students get to learn how professionals perform at work and they implement certain industry-specific concepts such as benchmarking, quality analysis, just-in-time production, etc. The one day industrial visit for Third year and Final year B. pharmacy students were arranged by RJS College of Pharmacy at Shodh AdvanTech LLP, Sambhajinagar on 24th April 2023. There were total 42 students attended that visit under the guidance of Principal Dr. Nitin Jain, Mr. Dadasaheb Kawade, Mr. Sandip Laware. In this visit students were guided by members of *Shodh Advantech* related to various instruments and their handling such as FTIR, GC, UV HPLC, Titration, PH Meter, Stability Chambers etc. Calibration method of various instruments also performed by students.

External Academic Monitoring Committee: MSBTE

Rashtrasant Janardhan Swami College of Pharmacy, Kokamthan Staff Members with External Academic Monitoring Committee of MSBTE

The Academic Monitoring Committee is evaluate the planning and implementation different academic activities of institutes. Academic monitoring of D. Various items were evaluated on this monitoring such as Governing Body Register, Student feedback, Biometric attendance, Academic File, Remedial Classes conductance, Library facilities with books availability, women's grievance redressal cell, Staff salary, dead stock register, co-curricular–extracurricular activity, sanitary and drinking water supply etc. Committee member was satisfied with facilities provided by institutes.

Farewell: Emotional Good Bye with Best Future Wishes to Final Year B. Pharmacy Students by RJS College of Pharmacy, Kokamthan

Light lamping by aluminums hand of Guest of Programme

Motivational Guidance by Chief Guest of programme Mr. Changdeo Katkade and Dr. Nitin Jain.

Felicitation of Final Year Students on the occasion of Farewell Party at RJS college of Pharmacy, Kokamthan with presence of guest of programme along with teaching and non-teaching staff members and students.

Farewell party in the college is celebrated not to just to say goodbye to the friends, as they step into a new realm of life. It also a memo ration to celebrate all the good times together and wishing the best for the future. Farewells also serve another important purpose. They make us treasure the countless memories of school and college life. As loss sinks in slowly and we realize that we might never meet some of these people again,

we tend to be kinder, more cheerful and less angry versions of ourselves.

To give good bye and future wishes to Final year B. Pharmacy students a Farewell Party was organized on 13/05/2023 at 10.30 AM at auditorium hall Rashtrasant Janardhan Swami College of Pharmacy, Kokamthan. Program was started with the light lamping ceremony with the auspicious hands of chief guest of program Chairman of RJS foundation C.N. Katkade, Mr. Vijay Kadu, Mrs. Kadu Mam, Mr. Deepak Kotme, and Principal Dr. Nitin Jain, HOD Mrs. Usha Jain etc.

Students get motivated by the guidance of Chairman of RJS foundation C.N. Katkade, Mr. Vijay Kadu, Mr. Kishor Bankar (Labcorp, Pune), Maitrey Mutkawi (Founder of Shodh Avantech, Sambhajinagar) who guided them regarding their future opportunity, Carrier importance, and new journey which they will go to start etc. Principal Dr. Nitin Jain also motivated students about their aims and also gives best wishes for bright future on the behalf of RJS College of Pharmacy, Kokamthan etc. Principal Dr. Nitin Jain also motivated students about their aims and also gives best wishes for bright future on the behalf of RJS College of Pharmacy, Kokamthan etc. The Third Year B. Pharmacy students arranged a farewell party to the final year students. Farewell is basically a get to gather kind of celebration for the seniors who will be soon stepping out of that particular institute. Hence juniors wish their seniors a good

luck for their next big adventure in various forms like singing, sharing thoughts, acts or by felicitating them. Later on the final year students were shared their four year journey and memories of the institute and the staff. All Students were felicitated by the respected guests and staff members. Lastly refreshment was arranged for the students on the behalf of RJS College of Pharmacy, Kokamthan.

YOGA (Your Objective Guidelines and Assessment) takes you into the present moment: Yoga Day Celebration at RJS College of Pharmacy, Kokamthan

Light lamping by aluminums hand of Guest of Yoga day

Dr. Nikhil Paikrao guided students on the occasion of yoga day and teaches them various yoga asan's in RJS campus.

Yoga originated in India from Hindu scriptures and is practiced worldwide. Yoga should not be viewed as just a form of exercise. It should be considered a mantra for a healthy, happy, and peaceful life. Yoga helps develop patience and concentration, sharpens memory and brings peace into our lives. “Breathe, Align, Elevate! Unite, Flow and Thrive!” is slogan for Yoga day. The draft resolution establishing the International Day of Yoga was proposed by India and endorsed by a record 175 member states. To give knowledge to students as well as staff regarding benefits of yoga in our day to day life the national yoga day was done in Rashtrasant Janardhan Swami College of Pharmacy near campus on 21/06/2023 at 6.00 am with the auspicious guidance of Dr. Nikhil Paikrao & Principal Dr. Nitin P Jain along with the teaching and non-teaching staff and students of Pharmacy, BHMS, BAMS and Nursing.

At the time of yoga day celebration students perform various yoga activities which are useful for their health. Dr. Nikhil Paikrao guided students on the occasion of yoga day and teaches them various yoga asan's. The yoga day was successfully performed and students were also got much benefits and guidance on day related to various yoga, pranayam types and their steps to performed.

New updates in Pharma field

1. Drug panel may review Gennova's mRNA Omicron booster vaccine. Apr 18, 2023

Pune-based Gennova Biopharmaceuticals had submitted data to the drug regulator this month, amid an increase in the number of Covid-19 cases. Gennova, a subsidiary of Pune-based drugmaker Emcure, has developed an Omicron-specific vaccine GEMCOVAC-OM which has been assessed for its safety and immunogenicity when administered as a booster in participants who have received two doses of either Covishield or Covaxin.

2. Sun Pharma launches novel therapy CEQUA®, for dry eye disease in India. Apr 25, 2023

DED is caused when the quantity or quality of tears fails to keep the surface of the eye properly lubricated, and associated with symptoms such as inflammation. Increased screen time and other lifestyle changes, is cited as one of the main reasons for DED.

3. Roche Diabetes starts manufacturing top glucose monitoring device in India. May 6, 2023.

In addition to catering to the India market, Roche will use India as a hub to also supply Accu-Chek Active meters to Roche US and Germany in order to cater to the demands across the world. Roche said the first batch of made in India glucometers are already available in the market across the country.

4. USFDA approves First Anti-Inflammatory Drug for Cardiovascular Disease. June 22, 2023.

AGEPHA Pharma USA, LLC announced that, following a Priority Review, the U.S. Food and Drug Administration (FDA) has approved LODOCO as the first anti-inflammatory athero protective cardiovascular treatment demonstrated to reduce the risk of myocardial infarction (MI), stroke, coronary revascularization, and cardiovascular death in adult patients with established atherosclerotic disease or with multiple risk factors for cardiovascular disease.

5. FDA Approves New Class of Medicines to Treat Pediatric Type 2 Diabetes. June 22, 2023.

The U.S. Food and Drug Administration approved Jardiance (empagliflozin) and Synjardy (empagliflozin and metformin hydrochloride) as additions to diet and exercise to improve blood sugar control in children 10 years and older with type 2 diabetes. These approvals provide a new class of medicines taken by mouth to treat pediatric type 2 diabetes. Metformin, the only other oral therapy available for the treatment of children with type 2 diabetes, was first approved for pediatric use in 2000.

6. Government has banned 14 FDCs which has no therapeutics justification. June 22, 2023.

Government has banned 14 FDCs after recommendations of the Expert Committee which stated that there is no therapeutic justification for these FDCs and the FDCs may involve risk to human beings. The Central Government in exercise of the powers conferred by section 26A of the Drugs and Cosmetics act 1940 (23 of 1940) prohibited the manufacture for sale, sale and distribution for human use of 14 drug FDCs (fixed dose combinations)
